

<p>1. CLUB OFFICIALS</p> <ul style="list-style-type: none"> We will respect players and parents, ensure we are punctual for training and matches, be honest, promote good sportsmanship and be responsible for your child when with us.
<p>2. PARENTS</p> <p>Discipline:</p> <ul style="list-style-type: none"> As parents ourselves, we are only too aware of wanting our children to do well and to encourage them in what they are doing. However, please be aware that during matches, the players have been advised only to listen to the tactical observations from coaching staff. Children can become confused when they receive calls from people on the side lines advising them of how they should be playing and not knowing how to react to sometimes conflicting advice. Parents are asked not to shout instructions across the pitch. We don't want good encouragement to stop. In fact, good, positive encouragement of both teams is welcomed. <p>Match Officials:</p> <ul style="list-style-type: none"> We ask all players and parents not to show any kind of dissent to any decision made by the referee. The referee is supported by Club Linesmen to help make decisions. Please show respect for those people, from both sides, who volunteer for this job. Players showing dissent to the referee will be substituted. <u>Parents should be aware that Wanborough Wasps Junior Football Club take a strong view on parental sideline behaviour and has developed a Policy for dealing with this, which can ultimately lead to exclusion of the Parent from training sessions and matches.</u> <p>In general, this Policy is:</p> <ul style="list-style-type: none"> For a first offence, a reminder of this Code of Conduct concerning parental side-line behaviour will be given from the team manager. A second offence will result in escalation to the Youth Section Management Committee. The Parent will be asked to complete the FA Respect 'A Guide for Parent and Carers' and produce the certificate confirming completion of the course. Attendance of training sessions and matches may be suspended until the certificate is produced. A third offence will lead to exclusion from training sessions and matches for a time period to be determined by the Youth Section Management Committee. <p>General observations:</p> <ul style="list-style-type: none"> Arrive on time and collect on time Do not swear or be abusive Don't pressure the players – always encourage Ensure suitable clothing is provided at all times of the season
<p>3. PLAYERS</p> <p>Discipline:</p> <ol style="list-style-type: none"> Training We realise that football training should be considered as a fun/social activity. We expect players to have a positive attitude at training and be ready to begin activities when asked to. Players who partake in disruptive behaviour will be asked to sit out of the activity until called in by coaching staff. Matches <ul style="list-style-type: none"> Teammates - All the players in squad should be treated with equal amounts of respect. All players should speak to coaching staff to help resolve any differences that may occur. Clothing - Appropriate clothing should be brought to each training session and match. This includes shin pads which must be worn on all occasions. Any player without shin pads will not be allowed to participate during that session.

**Wanborough Wasps Junior Football Club
Code of Conduct**

General observations:

- Shake hands with opponents after the game
- Do not wear jewellery
- Do not chew gum, swear or fight

Team Captain:

- The team captain is the 'manager's voice' on the field. The players should respond to the captain's commands as if they were from the manager himself. Players should be aware that the role of captain is much more than choosing ends at the beginning of the match. We expect all players to listen and act on the command of the captain.
